

CIT 155

Chapter 9 Lab 2

Complete Lab 2 in your book on pages 501-503. Comments on directions:

- Step 1: I am attaching the media files already in a media folder, so you do not have to create the media folder
- Step 7: Use the example on page 488 to complete this.
- Step 8: Follow the same steps as for step 7 except add the following code:

1

00:03.200 --> 00:07.200

Three baby racoons held by human hands.

2

00:08.900 --> 00:11.700

Baby squirrel on a wooden home on a tree.

3

00:13.800 --> 00:16.500

Face of a minature horse.

4

00:18.900 --> 00:20.500

Small goat.

5

00:24.000 --> 00:26.000

Pigeon standing on a hand.

6

00:29.000 --> 00:31.500

Minature horse standing in its pen.

- Do not worry about installing Chrome's web server extension.

I am attaching the necessary files to complete this assignment as well.

Compress all folders and files into a single zip or rar and submit.
