

CIT 155

Chapter 7 Lab 2

Complete Lab 2 on pages 392-396. Look over the screenshots shown on page 393, which show pages as they will appear in different viewports. Some notes in the directions:

- In step 7 g it should say the horse picture not the house picture.
- In step 9 c make sure the color # includes the number 1 not a lowercase L

Ask questions if you are having problems completing this assignment. Compress the html files and the css and images folder into a single zip or rar file and submit.
